

For the purpose of distributing our model car duster, cleaning gloves and equipment maintenance software, we are looking for **outdoor staff** working on an **independent basis** as **Sales Representative (European countries)**.

Your responsibilities include the acquisition of new customers and the cultivation of contacts including advice and ongoing support for our corporate clients.

Operational areas:

Gift wholesale, advertising media, service station equipment, motor vehicle supplies, car accessories, modelmaking, model car dealers throughout Europe

Required Business Skills:

- You have sales talent and many years of previous working experience in sales, ideally with specialist knowledge in the area of toys.
- You are customer-oriented, dynamic and self-management is one of your core skills.
- You are self-confident, dedicated and flexible.
- A private car is essential for the necessary mobility.

Your assignment will be handled according to postal code areas and on commission.

This is an ideal opportunity if you're building a career, or if you are already traveling in this area and looking for an additional lucrative representation.
